

## Research

1/ class to divide into research teams or remain individual researchers

2/ per team/individual, choose 1 well known corporation

3/ carry out research as per

- Its production methods e.g. the production of a mobile; the production of a car
- The constraints befalling on production e.g. legal provisions

## Presentation

4/ prepare slide presentation

### Suggestions for the presentation

- Structured with outline on slide 1
- Streamlined text
- Pics
